THE BEREAN BIBLE CLASS

The Berean Bible Class is a ministry of Covenant Baptist Church of Spartanburg, SC. The name of the class is based on Acts 17:10-12. Your teacher's name is *Neil H. Anderson*. Neil is a committed Christian, a serious Bible student with several decades of teaching experience, is an ordained deacon, and has three earned college degrees, but is not a product of any seminary. He is 78 years old and was saved in 1941 at age nine. Neil is an advocate for the unity and integrity of the Old and New Testaments as God's inspired and infallible word. He strongly supports the lordship salvation position and he rejects antinomianism, as well as the so-called 'carnal Christian' doctrine. He believes that *a saved person receives*

a new heart and a new spirit [Holy Spirit] whereby he pursues a lifestyle of obedience and holiness (Heb.12:14). He also holds that repentance is absolutely necessary for regeneration [salvation] (Ezek.18:30b-32, Luke 13:3, 5).

This ministry is intended for the spiritual betterment of Christians and for the winning of the lost to Christ. It is also intended to be interactive to the extent that the teacher's time and energy will permit. The purpose of teacher response will be for answering relevant questions or for clarifying any statements in posted papers that do not seem clear to the reader. However, we have no interest in debating with theological opponents. Again, welcome to the class!
